

A Framework for Challenging Prejudice in Healthcare: Advocating for Paediatric Patients

Dr Olivia Lloyd-Williams, FY1

“Toxic debate” over treatment for gender
dysphoria in UK leaves judges without expert
medical witnesses’ (1)

Political context

transgender youths experiencing stigma in the
healthcare system (2)

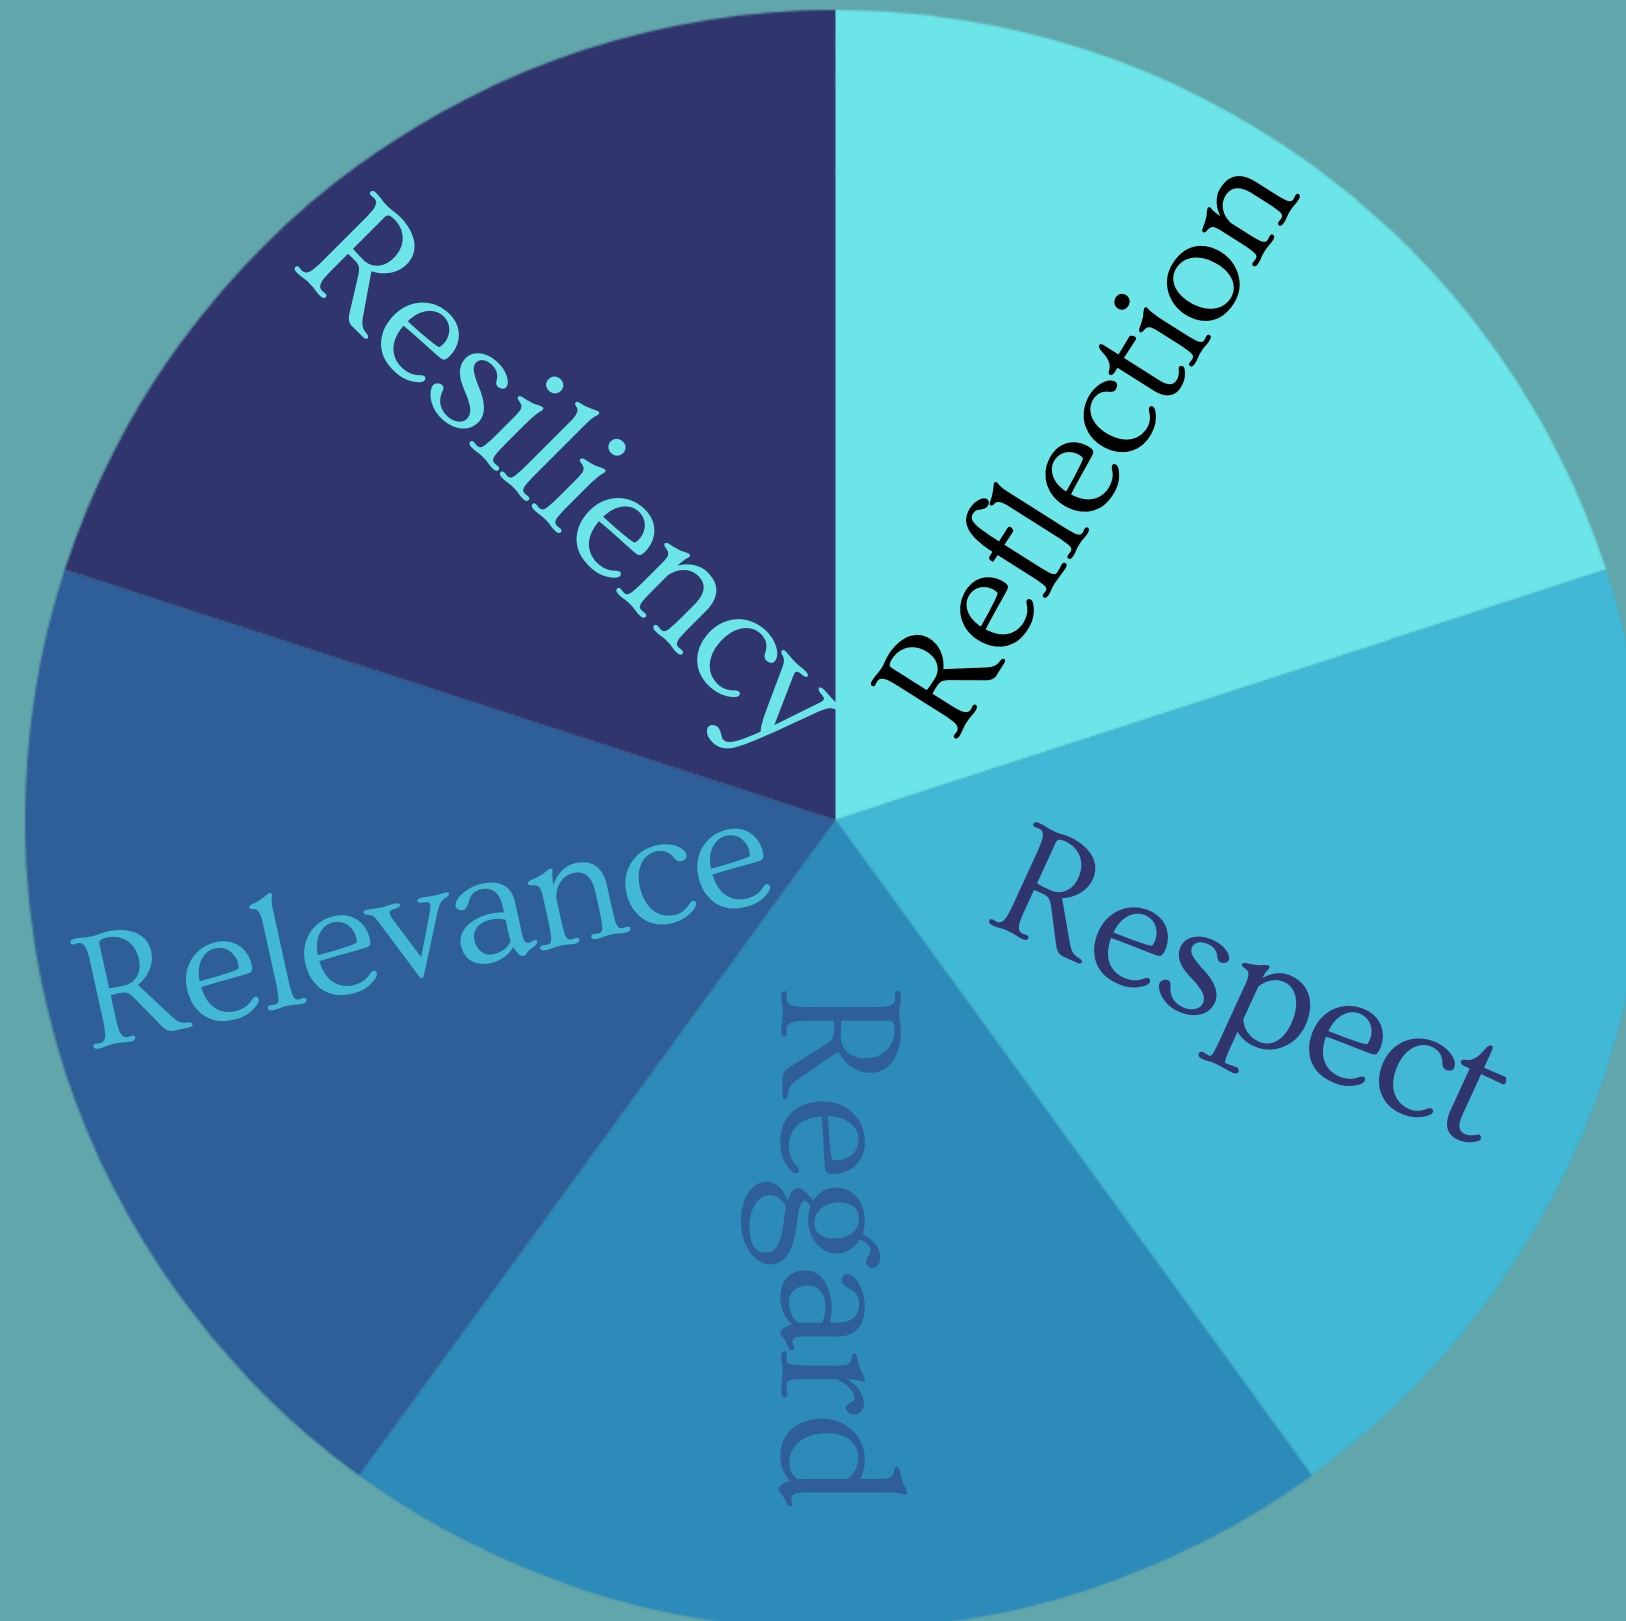

Solutio

1. Allow for explanation or self-correction
2. Set time aside outside of clinical commitments for more informal discussion
3. Use the 5 'R's of Cultural Humility (3, 4) to guide discussion
4. Where politically contentious topics arise, emphasise unifying factors

A Framework of Cultural Humility

How was my personal
resiliency affected by
this interaction?

How was cultural
humility relevant in
this interaction?

What did I learn from
each person in that
encounter?

Did I treat everyone
involved in that
encounter
respectfully?

Did unconscious biases
drive this interaction?

Organisational responsibility
