young the services
young

AGE & STAGE

Adapt your approach
for children and
young people of
stages and
of development

MCLUSIVE through and plan children and polar children and polar people's engagement

Supporting
children and
young people's
collective
voice in shaping
health services

TRUST

Create a safe and trusted space for children and young people to get actively involved

WIDER ACTION

Take strategic action
based on what
children and young
people tell you
is important
to them

PRACTICAL ARRANGEMENTS

Having the right support and systems in place to support meaningful engagement
