

## **RCPCH Room Hire Testimonials**

'The level of support is great from reception, the catering and facilities departments. The booking coordinator also provided an excellent service. I think the rooms are well laid out for the purpose of our meetings; these involve a lot of paperwork and there is ample desk space to organise this. It may be slightly cramped in the smaller rooms. What would be useful would be to have a coat rack in the rooms as attendees just have to drape their coats over the back of their chairs etc. The booking form is easy to use supplemented by my telephoning with our catering numbers. If I have forgotten to do this, then I will receive a telephone enquiry which is very helpful' -

'As far as I can remember this event ran very smoothly, with only one technical hitch to do with microphones! There was a short turnaround time between this event and the one the day before so the Facilities Team did an excellent job' - **Heads of Schools and Regional Advisors**

'Booking a meeting room through RCPCH could not be easier. Charlie is there to help with the organisation before, during and after the event to make sure everything ran smoothly and we had everything we needed. The room itself was modern and bright, and staff on the day were really helpful. I would definitely recommend RCPCH as a venue for meetings and have already booked to use them again in the future!' - **Alice Silver, Wellchild**

'We found the Facilities Team very helpful and supportive, particularly as there was a lot of activity (mostly email) quite close to the event and there were 3 parties involved. All the meeting rooms were modern and well lit' - **Pat Parris, Department of Health**

'Staff members involved throughout the process were very friendly and helpful. The facilities were excellent and everyone enjoyed the food. Thank you for making our event enjoyable' - **KSS London Deanery**
