7th July 2016

Dear Colleagues,

The Scottish Paediatric Society Annual General Meeting and the St Andrew’s Day Paediatric Symposium will be held jointly with the Royal College of Physicians and Surgeons of Glasgow, the Royal College of Physicians of Edinburgh, the Royal College of Paediatrics and Child Health and the Scottish Association of Community Child Health at the Royal College of Physicians and Surgeons in Glasgow on Friday 25th November 2016, hosted by Dr Mary Callaghan, Consultant Paediatrician.

Programme

The programme shall include the recognised format of 6 clinical case presentations and 6 research/audit presentations. Our guest speakers include Professor Graham Watt, FRSE FMed Sci, Norie Miller Professor (General Practice and Primary Care) Associate (School of Medicine, Dentistry and Nursing), University of Glasgow. There shall also be the RCPCH address.

Abstract submissions are invited for the following sections of the meeting:

- **Clinical case presentations**: The submitted abstract should highlight important or unusual clinical presentations, issues in relation to the diagnostic work up, management or complications. Six cases will be selected for platform presentation. A prize will be given for the best clinical case presentation.

- **Research/Audit presentations**: Please send abstracts of original research work carried out in Scotland in any paediatric speciality. Six cases will be selected for platform presentation. A prize and Oman Craig’s Trophy will be given for the best presentation.

- **Poster presentations**: Researchers are invited to present their work in a poster format. A maximum of 10 posters will be selected and a prize will be given to the best poster presentation.

A full programme shall be posted after abstract selection.

RCPCH approved CPD credits will be applied for.
