Clinical data entered by neonatal units on BadgerNet system.
Identifiable, sensitive
Data controller: Neonatal units

Cleaned data is fed back to neonatal units on the NDAU’s UK Neonatal Collaborative web portal for checking. Data is amended on BadgerNet.
Pseudonymised

Clinical data stored by Clevermed Ltd. on BadgerNet system.
Identifiable, sensitive
Data processor: Clevermed Ltd
Data controller: Neonatal units

Patient identifiable data removed and data cleaned.
Pseudonymised
Data processor: NDAU
Data controller: NDAU

National Neonatal Research Database (NNRD) created.
Pseudonymised
Data processor: NDAU
Data controller: NDAU

Re-extracted, cleaned data used to develop tables and statistical outputs NNAP reports.
Anonymised and aggregated data
Data processor: NNAP
Data controller: HQIP

Neonatal dataset transferred to NDAU/NHS server at Chelsea and Westminster Hospital
Pseudonymised, Identifiable, sensitive
Data processor: NDAU
Data controller: NDAU

Neonatal dataset (SCCI 1595) extracted by Clevermed Ltd.
