

JUNIOR

Join a global network of paediatricians, paediatric trainees and other professionals working to improve the health outcomes of children and young people.

Junior Membership of the RCPCH provides you with the best start to your career in paediatrics with access to specialist support and a range of learning resources.

It's the membership category for UK doctors in specialty paediatric training before they complete the MRCPCH examinations. Most trainee paediatricians in the UK are required to apply for Junior Membership and register for training.

Your membership benefits

- Log your activities and monitor progress through the curriculum with the RCPCH ePortfolio learning tool
- The innovative Paediatric Care Online decision support system
- College publications, including free access to the Child Protection Companion and Paediatrician's Handbook
- Reduced fees for the RCPCH Conference and other courses and events
- Focus, the quarterly printed newsletter
- Regular email bulletins to suit your professional interests.
- Trainee representation - having a voice at the College through the Trainees' Committee
- Optional subscription to the College journal, Archives of Disease in Childhood, at a special reduced rate of £100 (usually £409). This includes the Education and Practice Issues.
- RCPCH account with personalised dashboard
- Access to the Research Funding Database and research project support
- Listing on the online members' directory
- NUS Extra benefits for trainees

What are the eligibility criteria?

If you are a paediatric trainee in a GMC-approved run-through training post, and preparing for the MRCPCH examinations, you are required to apply for Junior Membership and register for training.

If you are a paediatric trainee in a fixed term specialty training appointment or a locum appointed for a training post, you are encouraged to apply for membership and register for training. RCPCH ePortfolio is useful to record your progression, especially if you are considering applying to specialty training in the future.

How much does it cost?

Membership runs from January to December and you have the option of paying for your membership annually or on a monthly basis by direct debit. If start your membership on any date other than 1 January you will pay a pro-rata amount for your first year.

Membership subscription

- Subscription with Archives of Disease in Childhood: £203
- Subscription only: £103

Training fees per year

2017/18: £217

The new training year commences 1 July. For more information on this, please contact training.enquiries@rcpch.ac.uk

How do I join the RCPCH?

To apply for Junior Membership visit www.rcpch.ac.uk/junior-member

**“Proud to be part of an
amazing college, making
a huge difference in the
lives of our children!”**

Junior member
