

RCPCH Membership

ASSOCIATE

Join a network of clinicians who take a particular interest in transforming the health of children and young people.

You can apply to become an RCPCH Associate Member if you hold a primary medical qualification and work mainly in child health.

Associate membership provides you with the opportunity to be part of a part of a network of health professionals who are dedicated to improving the health outcomes of children and young people.

Associate membership benefits

- Quarterly members newsletter and regular email news bulletins
- Access to the Child Protection Companion Portal
- Reduced fees for RCPCH Conference and other events
- Listing on the online members' directory
- Regular email bulletins to your interests
- Continuing professional development tools and advice
- Option to add on heavily subsidised subscription to Archives of Disease in Childhood
- Discounts and savings with TOTUM Pro

Eligibility criteria

You must be working as a medical practitioner, with at least 50% of your work related to child health.

Associate Membership may be of particular interest to SAS Doctors, Clinical Fellows, Trust Doctors, Locums and General Practitioners who work mainly with children.
