

RCPCH Membership

ORDINARY MEMBERSHIP

RCPCH Ordinary Membership is for paediatricians, GPs or UK associate specialists who want to be a part of a global network of professionals committed to child health.

Ordinary Membership of the RCPCH supports your professional development with access to a range of benefits including a subscription to the 'Archives of Disease in Childhood' journal and 'Paediatric Care Online'.

As an Ordinary Member you can use the MRCPCH designations after your name and will be awarded a membership certificate to recognise your level of achievement.

What are the eligibility criteria?

Applicants must have passed the MRCPCH Clinical examination OR MRCP(UK) Part II in Paediatrics.

Ordinary membership benefits

- Use of MRCPCH designation
- Membership certificate
- Voting rights
- Continuing professional development tools and advice
- Revalidation support
- RCPCH account with personalised dashboard
- Access to the Child Protection Portal
- Subscription to the monthly Archives of Disease in Childhood journal
- Quartly printed member newsletter
- Regular email bulletins to suit your interests
- Offers and discounts with TOTUM Pro
- Reduced fees for the annual RCPCH conference and other courses and events

How do I join the RCPCH?

There are two routes to Ordinary membership:

Via Examination

You can apply via this route if you have passed the MRCPCH Clinical, or MRCP(UK) part II examination in paediatrics

Apply for Ordinary Membership via Examination
