

RCPCH Membership

MEDICAL STUDENT

If you are a medical student in the UK with an interest in paediatrics, you can become an RCPCH Affiliate Member for free and enjoy access to a wide range of benefits as well as being part of a network of global professionals who have a passion for improving child health.

Your membership benefits

- Careers advice
- Access to the latest news and updates via regular email bulletins
- College publications, including free access to the Paediatrician's Handbook
- Listing on the online members' directory
- Reduced fees for RCPCH Conference and other courses and events
- Optional subscription to our journal, Archives of Disease in Childhood, for £100 per year
- Access to the Research Funding Database and research project support

Requirements

You must be enrolled in a medical school in the UK and must provide evidence of this with your application.

Membership per year for medical students

- Subscription only: FREE
- With Archives of Disease in Childhood: £100
