

## Paediatric sub-specialty training recruitment round 2022/2023

In the 2022/2023 recruitment round, we recruited into 16 sub-specialties. 221 posts were submitted by deaneries nationwide, including Wales, Northern Ireland and Scotland and 207 of these posts were filled. The maximum number of appointments per sub-specialty were based on estimated future consultant vacancies in each sub-specialty.
