

## Sub-specialty Programme Information

### Paediatric Allergy 2024

---

Please find below programme information for the above sub-specialty for training programmes starting in August/September 2024.

This document contains a list of all submitted programmes of training. The job descriptions for each post can be found via this [SharePoint link](#).

Each sub-specialty programme covers the [RCPCH curriculum](#) as specified on the RCPCH website.

Paediatric training is capability based so the stated duration of posts is indicative. Applicants are therefore able to progress through sub-speciality programmes at a rate quicker than this indicative training time. Please refer to the [applicant guide](#) for further information.

*N.B. Programme submissions can be withdrawn or amended at any point up until an offer of employment has been made to an applicant.*
