

Sub-specialty Programme Information

Paediatric Palliative Medicine 2024

Please find below programme information for the above sub-specialty for training programmes starting in August/September 2024.

This document contains a list of all submitted programmes of training. The job descriptions for each post can be found via this [SharePoint link](#).

Each sub-specialty programme covers the [RCPCH curriculum](#) as specified on the RCPCH website.

Paediatric training is capability based so the stated duration of posts is indicative. Applicants are therefore able to progress through sub-speciality programmes at a rate quicker than this indicative training time. Please refer to the [applicant guide](#) for further information.

N.B. Programme submissions can be withdrawn or amended at any point up until an offer of employment has been made to an applicant.

Application Process

Applications for Sub-specialty recruitment 2024 open from 12 noon Wednesday 25 October 2023 and close at 12 noon Wednesday 15 November 2023.

For more information on the recruitment process and to access the guidance please visit: <https://www.rcpch.ac.uk/resources/paediatric-sub-specialty-training-application-guidance>

Deanery	Post title	Hospital/centre	Places available	Additional information
London	London - GOSH	Great Ormond Street Hospital (GOSH) (24-36 months)	2	<p>Programme is 24 months WTE indicative but as speciality training is 36 months WTE under the Progress plus curriculum, trainees may require more time to gain generic and subspecialty capabilities-this will be individually determined.</p> <p>Please note that ST6 trainees may apply if they have had approval of existing equivalence in Paediatric palliative medicine training. ST6 Trainees are advised to contact the CSAC if unsure.</p>
Yorkshire and The Humber	Palliative Medicine Yorkshire and the Humber	Martin House Children's Hospice, Leeds Children's Hospital and across East, North and West Yorkshire (24 months)	1	<p>This programme offers the opportunity to learn about PPM across hospital, community and hospice settings from antenatal care through to adulthood.</p> <p>The trainee is based with the Martin House Children's Hospice specialist palliative care team supporting children and young people across East, North and West Yorkshire. In addition, the hospice has a young adult unit and a bereavement service. The Specialist paediatric palliative care team hosted by Martin House team also has a close collaborative relationship with Andy's hospice Grimsby. Our team is embedded in Leeds Children's Hospital and has close links with West Yorkshire Palliative Care team, Bradford palliative care team, community nursing teams and hospitals across the area. Three months will be spent in adult palliative medicine.</p> <p>The trainee is expected to be involved in audit, teaching and management sessions. Trainees can get involved with the Martin House Research Centre and undertake research.</p>

NB. There will be a SharePoint folder for each sub-specialty and region. The post title also refers to the offer code in Oriel.
