

WHAT HAVE WE DONE

We have met since 2023 to talk about what we want to see. Over 700 children and young people have given their views!

What are we campaigning for?
The government to make all children and young peoples' health a priority.

Find out more: www.rcpch.ac.uk/our_health_matters_2024

We have clear questions to ask the government which link to child rights. It is crucial that children know about their rights.

We created a video campaign that tells you everything that you need to know for our plans for the future.

We will lobby with hospitals and schools. Lobbying is to advocate for something or someone.
