

1. Click on the assessment from the TIMELINE MENU and then Assessments and MSF
2. Select the desired assessment and click into it.

3. Scroll till bottom of the event until you see SHOW MORE. Click on Show more.

4. Then click on ADD TAGS. This should open up all curriculum options for you.
5. Click on 2018 Progress curriculum, and then Gen Paed 2021 curriculum or the generic domains or SPIN, whichever is relevant.

6. Select the relevant Domain or SLO you had ticked previously. However, you now need to click in to Domain/SLO and then click further into the key capabilities as shown below

> Domain 07 (Patient Safety) Learning Outcomes

> Domain 08 (Quality Improvement) Learning Outcomes

> Domain 09 (Safeguarding) Learning Outcomes

> Domain 10 (Education and Training) Learning Outcomes

> Domain 11 (Research) Learning Outcomes
