Clicking on 2018 Progress Curriculum will open up further hyperlinks –

Scroll down till you come to your SPIN module –

Click on SPIN module to open further hyperlinks (Learning outcomes.) . These Learning outcomes are hyperlinks and dependant on the Outcome you wish to tag to, clicking on it will open up the Key Capabilities for that particular Learning outcome. (For example, purposes, choosing LO1 below, and then KC 2)

Close the box after you are done tagging. You will be able to see the number of tags here.

Continue tagging to generic domains if applicable the normal way, scrolling to bottom of assessment. Complete the assessment and **Save or Submit**. It should link to your SPIN Learning outcomes and also display on your SPIN learning outcomes on your dashboard. (You will need to click into each LO and then KC on your dashboard, to see if your assessment has tagged correctly.)
