### **Course aim**

To equip paediatric trainees with the knowledge and skills to succeed in the MRCPCH Clinical exam.

### **Course learning outcomes:**

By the end of the course, delegates will:

- Be fully aware of the exam format and what to expect in each station type
- Know what is required to reach the expected standard in each station by understanding how the assessment criteria are applied
- Understand the common pitfalls and how to avoid them
- Be able to reflect on the knowledge and further revision needed to ensure success in the MRCPCH Clinical exam

### **Faculty leads**

Dr Tushar Vince, Kings College Hospital NHS Foundation Trust

Please note that due to unforeseen circumstances, sessions and presenters may be subject to change.
