## Description of committee

The RCPCH has a College Specialist Advisory Committee (CSAC) in Neonatal Medicine which is responsible to the College for monitoring training within the sub-specialty and advising the College on related issues. This CSAC has a Chair, two Training Advisors, two Assessment Advisors, a Quality Advisor and three Trainee Representative (two trainees in a role share), who form the voting members of the CSAC.

- The Neonatal Medicine CSAC's purpose is to assist the RCPCH Education and Training Division in developing and delivering training and assessment standards as determined by the GMC.
- Neonatal Medicine CSAC reports to the Training and Quality Board (TQB).

## Role details

- Trainee Representative for Neonatal Medicine CSAC (1 role, potential for this to be offered as a role-share between 2 trainees)
- Members are accountable to the Chair of the CSAC and the Vice President (Training and Assessment)
- Term of office: 3 years or your CCT date, whichever falls first.

## Eligibility

Applications are now invited from Ordinary members of the College who are Specialty Level Subspecialty trainees in Neonatal Medicine who hold a National Training Number (NTN) for a UK approved paediatric training programme, and whose primary mailing address is in the UK/Ireland.

## Role purpose and responsibility

The post holder will be required to:

- Bring to the CSAC the Trainee perspective on training and assessment issues including monitoring quality and standards of training in Neonatal Medicine
- Advocate for and represent the views of the subspecialty trainees and ensure that they are brought to CSAC for consideration.
- Contact subspecialty trainees to find out their views on current topics and issues for training prior to CSAC meetings and relay relevant information back to trainees after the meeting.

---

**In accordance with College policy, all candidates should be in Good Standing with the RCPCH.**

- Work with the Subspecialty Trainee Representative on the RCPCH Trainees Committee to ensure that the views of subspecialty trainees are represented on a national level.
- Attend and participate/ present at the annual Neonatal Subspecialty Trainee Meeting.
- To attend meetings and devote sufficient time to the role to meet the demands of the job.
- Assist with and contribute to the updating of documents that the Committee may deem useful for trainees in Neonatal Medicine.
- Contribute to START scenario and MRCPCH examination question setting and quality assurance (if appropriate).

### **Working relationships**

The post holder will work with the CSAC Chair, other members of the CSAC, predominantly the Training Advisors, Quality Adviser, Assessment Advisor, Officers for Training and Assessment and Quality and Training Team staff as required. This list is not exhaustive.

### **Time commitment**

Committee members will be required to attend up to 3 CSAC meetings, 2 CSAC Assemblies and 1 National Trainee meeting per year and devote sufficient time to the role to meet the demands of the role. You may be asked to represent the Committee at other internal or external meetings of the College. Meetings will normally be held via MS Teams with 1 meeting per year held in person in London.

### **Support provided from the College**

The first point of contact will be via the Quality and Training Team who will forward queries as appropriate.

Members will be reimbursed for the cost of travelling expenses (in line with the College's expenses policy) and subsistence to attend College meetings. Remote attendance options may also be offered for some meetings.

## **Knowledge, skills and experience required**

### **Essential:**

- [Member of the College in Good Standing with RCPCH](#)
- Has attended [Equality, Diversity and Inclusion training](#) within the last 3 years.
- The post holder will be a specialty level trainee in Neonatal Medicine with a particular interest in assisting the College in the development of specialist training policy and the delivery of training to standards as set by the GMC and RCPCH, as well as wanting to act as an advocate and representative in the promotion of subspecialty training.
- Excellent communication skills and ability to work well in a team.

### **Process**

Applications for roles should be submitted electronically at [volunteering opportunities](#) no later than the closing date. Your CV should also be uploaded, and we will ask you to include a

statement of up to 250 words outlining the relevant experience and reasons for applying to the post.

When undertaking a role at RCPCH all role holders must agree to respect and uphold the charitable objects, vision, and values of the RCPCH and uphold the [code of conduct](#) which embodies of the values that the RCPCH holds the breaking of which could lead to sanction. Core to RCPCH's values is the exemplary behaviour of its members, both as professionals and also as individuals.

Appointed candidates will be asked to [register their interests](#). This is to ensure that personal circumstances that might compromise a volunteer's ability to be seen as acting correctly are properly disclosed.

The role holder must be committed to following the College's safer working practices guidelines when working with children, young people and adults at risk. Safeguarding is everyone's responsibility, with the role holder required to comply with the College's Safeguarding policy. Appointed candidates must also have attended Equality, Diversity and Inclusion training within the last 3 years.

The College may – at its discretion and with the agreement of the candidates – choose to offer this role as a role-share between more than one candidate once the appointment process is complete. Details will be discussed with candidates at the time should this arise.

The RCPCH wants to represent all the communities we serve and are dedicated to creating an inclusive working environment. The College is particularly keen to receive applications from those who belong to an underrepresented group as defined in the equality act 2010, including age, disability, sex, race, religion or belief, gender reassignment, married or in a civil partnership, pregnancy/parental leave, or sexual orientation.

The College is a disability confident leader, please let us know if you require any reasonable adjustments or accommodations as a result of a disability, impairment or health condition.

Members can also receive support to cover the costs of caring responsibilities, where these responsibilities would otherwise prevent them from undertaking voluntary work for the College, as per the [removing barriers](#) fund. Claims must be submitted using the appropriate form and the College should be made aware of these requests at least a month in advance. For further information please contact [edi@rcpch.ac.uk](mailto:edi@rcpch.ac.uk).

Eligible candidates who have the required knowledge, skills and experience may be invited to attend an interview either at the College's Offices or via tele-conferencing. Following the interview, a recommendation will be made to the Neonatal Medicine CSAC on any appointment.

Personal information about unsuccessful candidates will be held for 6 months after the position has been filled, it will then be securely destroyed. Personal information about successful candidates will be retained on their membership file. The information contained in this will be kept secure and will only be used for purposes directly relevant to that person's responsibilities as a committee member. Please also refer to the [membership privacy notice](#) which explains how we will use the data we collect from you.
