

Every child thriving: Advancing child health in Northern Ireland

RCPCH
Northern Ireland
2027 Election
Manifesto

Our calls for the next Northern Ireland Executive

1. Investing in the workforce:

Co-produce and implement a comprehensive child health workforce plan.

2. Investing in data:

Create a cohesive and data-informed child health system.

3. Investing in child health services:

Embed the needs and rights of children at the centre of service design.

4. Investing in prevention:

Prioritise early intervention and tackling child health inequalities.

Every child thriving: Advancing child health in Northern Ireland

RCPCH
Northern Ireland
2027 Election
Manifesto

What RCPCH members said:

81%

of respondents said developing a long-term child health workforce plan should be prioritised.

97%

of respondents recognised digital solutions, that include data collection and sharing, as beneficial to their role.

100%

of respondents ranked stable and fair funding for child health services as a child health policy priority.

72%

of respondents said reducing the impact of poverty would have the greatest benefit for child health.
