

NNAP

National Neonatal Audit Programme

The NNAP looks at the care babies receive if they are born early or unwell and need to be admitted to a neonatal unit. The NNAP helps neonatal units to improve this care.

The NNAP publishes a range of resources including an annual summary report and Your baby's care, a parent and carer guide to the report.

Are you a parent or carer experiencing neonatal care?

Find out how the NNAP use your baby's information to help improve care and your rights

The NNAP created a short animation for parents and carers to explain the audit. You can scan the above QR code to watch this short video.
