What is the survey about?
This survey is about the emergency care and treatment that you received **at the place where you were given the survey.**

Your views are very important to us to help find out how good the services are and how we can make them better.

It is up to you whether you want to take part in this survey - you do not have to.

Who is the survey for?
The questions are for you to fill in if you are **8 years or older or with your parents help if you are younger.**

You do not need to say your name so please be honest. The answers you give us will help us improve our service.

Filling out the survey
For each question please tick [✓] clearly inside one box. For some questions you will be instructed that you may tick more than one box. Do not worry if you make a mistake; simply cross out the mistake and put a tick in the correct box. For some questions you will see a ➔ Go to Q instruction next to a response. Where you see this, please follow the instructions and skip to that question.

Questions or help?
If you have any questions or need help please ask your parent or carer to telephone:

It is up to you whether you want to take part in this survey - you do not have to.

**All answers are confidential - nobody will know who said what!**
