

INFORMATION FOR TRAINEE

This is a 8 minute scenario. Check the 'Task' below so you know how this scenario will be run. You will have up to 4 minutes before the start of the assessment to read this information and prepare yourself. You may make notes on the paper provided.

You should

- *Enter the assessment room when the bell sounds*
- *Take this instruction sheet with you and any notes you have prepared*
- *Note that there will be a warning when you have approximately 2-minutes left*
- *Return the instruction sheet outside the room when you leave*

Context	You are a newly appointed consultant
Task	You are meeting with your clinical director. Discuss the impact of your colleague's sick leave and how you will manage during their absence.
Information for trainee	You are a newly appointed consultant in a district general hospital in a team of 12 general paediatricians, each with their own special interest but sharing the on call rota. One of your colleagues who shares your special interest is due to take planned sick leave of 2-3 months duration in the near future.
