Healthy child, healthy future.

The developmental origins of health and disease.

#RCPCH17
We are hiring Paediatric Emergency Medicine Staff
Sidra Medical and Research Center

This is a unique opportunity for highly motivated, skilled and enthusiastic clinicians. Sidra Medical and Research Center, a ground-breaking ultra-modern clinical and research facility in Qatar, is looking for Emergency Medicine/ Urgent Care Consultants, specialising in paediatrics to join their team in 2017.

The Children’s Emergency Services is led by the Division Chief of Emergency Medicine and Chair of Resuscitation Committee, Dr. Khalid Al Ansari. Sidra Children’s Emergency Services (PES) role in caring for children will be instrumental in meeting the related goals of Qatar’s National Health Strategy.

Sidra will be the primary emergency and subspecialty hospital for all children in Qatar. Sidra’s Children’s Emergency and Urgent Care Center will provide care to children and adolescents up to the age of 18 years who are ill or injured, and is anticipated to treat.

180,000 to 220,000 patients annually. It will be a designated Level 1 Trauma Center and a regional Paediatric Trauma Center for the state of Qatar for major trauma patients up to the age of 14 years. Dr. Khalid Al Ansari is seeking highly motivated and progressive individuals to join the team. This is an exceptional opportunity to be part of a project from its infancy and work towards the delivery of excellence in all aspects of care.

Recruiting for:
• Paediatric Emergency Consultants
• Emergency Consultants
• Urgent Care Paediatricians
• Emergency Pediatric Nurses
• Urgent Care, Paediatrics, Emergency or Critical Care Nurse Practitioners can apply

Sidra will be offering successful candidates highly competitive packages, including a tax-free salary and benefits. Full details of the package will be discussed at interview.

Informal discussions can be arranged with clinical leaders. Contact Atif Ahmad on +974 4003 7469 or via email: aahmad@sidra.org for more information. Additional information may be obtained on: www.sidra.org
Welcome to RCPCH Conference 2017

Bringing together child health professionals from across the world, RCPCH Conference provides great opportunities to enjoy a comprehensive programme, network with colleagues and discover the latest in paediatrics and child health.

The Exhibition Hall plays host to the ‘RCPCH Village’ and a range of other organisations who will be showcasing cutting-edge technologies, products and services for infants, children and young people. It’s also where you’ll find refreshments points, seating areas, the device charging station and poster viewing area. This guide lists the organisations exhibiting at this important event and we hope you find time to meet them all.

Introducing the new Paediatric Care Online app

Paediatric Care Online (PCO UK) is the essential tool for all health professionals who see children at the point of care.

To respond to user demand, the PCO UK app has been created to provide quick and easy access to this powerful resource.

To start using the app, simply follow these instructions:

1. If you haven't already activated your PCO UK account, you'll need to go to www.pcouk.org or visit the team at the PCO UK stand.

2. To download the app, all activated users should go to Google Play or iTunes – depending on your device – and simply search for ‘Paediatric Care Online’.

With the new Paediatric Care Online app you can enjoy access to over 100 Key Practice Points, the RCPCH Child Protection Companion and PHE’s Green Book all in one place, even when you’re offline.

For more information, go to pcouk.org/ss/app.aspx
New to Ketogenic therapy? Or needing a refresher course and an opportunity to network with other Ketogenic teams?

MATTHEW’S FRIENDS WILL BE HOSTING THEIR ANNUAL KETOCOLLEGE PROGRAMME
27TH – 29TH JUNE 2017 FELBRIDGE HOTEL, EAST GRINSTEAD, WEST SUSSEX, UK

ADDITIONAL DAY INCLUDED - MEDICAL KETOCOLGENIC MASTERCLASS
